

HERE'S YOUR CHANCE TO RECEIVE UP-TO-DATE DATA!

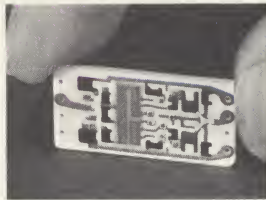

We will be distributing shortly, a series of **New** catalogs on all Helipot products. In addition to complete product specifications, each catalog will contain detailed application data, mil spec requirements and design considerations. To make sure you receive **your own** personal copy, complete the attached card and mail it to us. If we don't hear from you, we'll assume you are no longer interested in our products and remove your name from our mailing list.

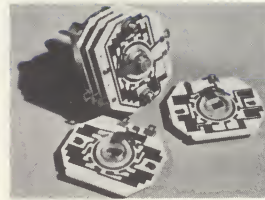

Helipot® Precision Potentiometers with wirewound, cermet and conductive plastic elements, from $\frac{1}{8}$ " to $3\frac{1}{2}$ " diameters and in single and multi-turn models.

Helitrim® Trimming Potentiometers with essentially infinite resolution cermet elements, in $\frac{1}{4}$ " diameter, $\frac{3}{8}$ " square, $\frac{3}{4}$ " rectangular and $1\frac{1}{4}$ " rectangular models for military and general purpose applications.

Hybrid microcircuits using chip semiconductors, cermet thick film resistor and capacitors, in a wide variety of standard and custom circuit functions, and package sizes.

CIRCUIT-DECK Switches with cermet resistors and capacitors, switch pads and interconnections fired on an alumina wafer replaces conventional switch deck on standard detent shaft.

Hey Helipot! I need information on:

A. Precision Potentiometers and Dials:

- F1 ☐ Wirewound Potentiometers
- F2 ☐ Conductive Plastic Potentiometers
- F3 ☐ Cermet Potentiometers
- F4 ☐ Turns-Counting Dials

B. Trimming Potentiometers:

- F5 ☐ Military Trimmers
- F6 ☐ Industrial Trimmers

C. Microcircuits:

- F7 ☐ DC Voltage Regulators
- F8 ☐ Binary Ladder Networks and Switches
- F9 ☐ Over Voltage Protectors
- F10 ☐ Miniature Power Amplifiers
- F11 ☐ Lamp and Relay Drivers

D. Special Products:

- F12 ☐ DC Servo Systems
- F13 ☐ Tachometers and DC Servomotors
- F14 ☐ Miniature Rotary Switches
- F15 ☐ Circuit-Deck Switches
- F16 ☐ Custom Packages

My job function is:

- E1 ☐ Circuit or System Engineering
- E2 ☐ Evaluation or Standards Engineering
- E3 ☐ Reliability or Quality Control
- E4 ☐ Procurement
- E5 ☐ Non-Engineering Management
- E6 ☐ Education (Professor, Instructor, etc.)
- E7 ☐ Librarian
- E8 ☐ Technician or Lab Assistant
- ☐ Other (please specify) _____

Address shown is my:

- C1 ☐ Business address
- C2 ☐ Home address

Mr. T. Nelson
Systems Cons.
Box 1546
Poughkeepsie, NY 12603
